

A legacy is a woman in a family relationship such as a daughter, sister or granddaughter to an Alpha Gamma Delta member in Good Standing.

Alpha Gamma Delta believes that legacies are important to our Fraternity because they bring loyalty, strength, pride and support to our chapters. Ideally, this form is sent to an Alpha Gamma Delta collegiate chapter while the legacy is in her junior or senior year in high school, alerting members of the chapter that she may arrive on campus. Chapter members should strive to meet her during prospective student visit days and introduce themselves as Alpha Gamma Delta members. Even though a niece or a cousin is not a legacy, a member may use this form to introduce such a young woman if she feels the chapter would benefit from her becoming a member.

- It is the responsibility of the legacy's AΓΔ relatives and friends to send a Recruitment Information Form to a collegiate chapter, notifying them that she will participate in recruitment.
- An AΓΔ legacy must be a qualified potential new member in her own right: scholarship, activities, accomplishments and overall compatibility with the chapter.
- The Fraternity expects all collegiate chapters to give serious consideration to each legacy out of courtesy to her AΓΔ relative and encourages pledging our legacies. However, since chapters choose their own members, they are not required to offer a bid to a legacy.
- A legacy must be invited back to the first invitational round of events.
- If the legacy is released by the chapter, an advisor must telephone her AΓΔ relative and notify her of this decision.
- If the legacy attends the preference event or final function, she must be placed within the chapter's first bid list.
- Remember—Membership growth is the responsibility of every Alpha Gamma Delta member.

This form must be kept for one year after a legacy's anticipated arrival on campus. If she does arrive on campus, the chapter must keep the form until she pledges a group, graduates or leaves school permanently.
